Experience 636 acres of natural Florida at Otter Springs Park & Campground.

Our centerpiece, Otter Spring, is a second magnitude natural spring with a constant temperature of 73 degrees and a flow of 10 million gallons of sparkling pure water daily. The spring creates a large clear pool and stream, which flows into the nearby Suwannee River.

The serene setting is perfect for fishing, bird watching, hiking, and other outdoor activities. Indoors at the Little Otter Recreation Center, we offer board games, book exchange, and foosball.

And when you want a little bit of both indoor comfort and outdoor beauty, relax at a poolside table or swim laps in our spacious, enclosed pool pavilion.

Special Event Bookings

Reserve one of our beautiful venues for your business meeting, private party, fund raiser, wedding, church retreat, or family reunion! Our beautiful Springhouse Lodge, with its broad wrap-around porch, kitchen, and fireplace, as well as our spacious pool pavilion is available to rent for special event bookings.

Area Attractions

The Nature Coast State Trail nearly brushes the southern edge of Otter Springs Park & Campground. The 31.7-mile hiking and biking path was built over old railroad tracks. Near Otter Springs, the path crosses over the Suwannee on an old train trestle, offering a spectacular view.

There are several other great places to visit in the local area when you've finished your hike or swim.

One of our favorites is Suwannee Valley Shoppes in Trenton (352.463.3841). Here you can enjoy lunch at the quaint Suwannee Rose Cafe, shop for antiques and crafts, and take a quilting class. Just down the street past the old train station is Suwannee Valley Custom Framing and Stained Glass Works, with wonderful artisan crafts, lovely artwork, and stained glass workshops.

For a quick round of golf, try the Chiefland Golf and Country Club (352.493.2375).
